***Re: Notice of Ex Parte Communication***  
*Sprint NXX Rating and Routing Declaratory Ruling Petition, – CC*  
*Docket No. 01-92*

Dear Ms. Dortch:

This letter is to inform you that on October 22, 2002, Sprint, through its representative, Charles W. McKee, met with Barry Ohlson, Jared Carlson, Joseph Levin, Stacy Jordan, Gregory Vadas, and Elias Johnson of the Wireless Telecommunications Bureau and Tamara Preiss, Steve Morris and Victoria Schlesinger of the Wireline Competition Bureau, to address issues associated with the above referenced Petition for Declaratory Ruling.

Sprint expressed its continued concern regarding the treatment of wireless NXXs and the need for Commission action to resolve this dispute. Sprint noted that litigation of this issue on a state by state basis would be inefficient and could result in inconsistent outcomes. Sprint further renewed its request that the Commission address this issue quickly and that other issues regarding compensation arrangements be addressed in a more appropriate docket.

Pursuant to Section 1.1206 of the Commission's rules, this letter is being electronically filed with your office. Please associate this letter with the file in the above referenced matter.

Respectfully submitted,

/s/ Charles W. McKee
